The cast and crew of Marquee's next production "My Fair Lady" are hard at work making this our best show yet! "Adapted from George Bernard Shaw's play and Gabriel Pascal's motion picture 'Pygmalion'", "My Fair Lady" tells the story of the over-confident Professor Higgins and his experiment that attempts to transform a cockney girl, Eliza, into a proper-speaking lady. Higgins and his friend Colonel Pickering make great progress with the girl and even take her to the horse races and a grand ball. Nevertheless, they still treat Eliza as a mere experiment and not as a human being. When Eliza runs away, Higgins realizes that she is more than just an experiment; indeed he is in love with the girl. Perfect family entertainment!

Proceeds from ticket sales at various performances will be donated to local charitable organizations, including Trinity Anglican Church – Youth Mexico Mission, and York Region Celebration of the Arts Bursary Program.

Marquee Participates in Aurora Santa Under The Stars Parade!

Thank you to all of our wonderful volunteers that dressed up to take part in Marquee's "Annie" themed float in Aurora's 2010 Santa Under The Stars Parade on November 27. Keeping with the Christmas theme and showcasing Marquee's production of "Annie", we had many volunteers from our Youth Group programs acting as orphans on the float, with the mean Miss Hannigan ordering them to work, while Annie enjoyed the holidays in billionaire Oliver Warbucks' mansion!
